- Hardboard

Wm. (Bill) Cavanagh  
Founder & Chairman

Superior products, skilled service and value for money make us the number one Timber Trade Suppliers in the North for builders, tradesmen, local authorities, schools, public bodies and DIY enthusiasts across the region. We can give your company monthly account facilities and our stock is so extensive we're even timber trade suppliers to our local competitors. In the unlikely event you can't find what you want, we'll bend over backwards to get it for you.

You can also choose from over 25,000 tools for every possible job from our in-store and online display. Order online today for guaranteed next day delivery right to your door!

### Fallowfield Timber Trade Suppliers

Fallowfield Timber has been supplying timber, plywood, decking and much more for over 10 years from its one acre site on Ladybarn Road. You'll love our speedy service, vast timber stock and the fact we're timber suppliers that give you everything from nails, tools, glue, locks, latches, handles, mouldings, spindles, newels to spare parts both online and in-store.

Our sawmill will re-size your timber from the biggest size, 12" x 4" x 24ft long, down to 1" x 1" x all ex stock. We also specialise in cutting firings and tilt fillet while you wait.

### Macclesfield Timber Trade Suppliers

For over 18 years, Macclesfield Timber has timber trade suppliers have been serving the timber trade with the biggest range of sawn timber in the north. As Professional timber suppliers in the UK, we ensure you have access to everything you could possibly need by drawing stock from the exhaustive range at our sister yard at Fallowfield every day.

### Cavanagh of Winsford Timber & Plywood Suppliers

For over 23 years, the Cavanagh Family sold timber in Winsford, now after an eleven year gap they are back in Winsford with a new timber trade suppliers depot, serving the building trade with the biggest range of sawn timber in Cheshire. As Professional timber suppliers in the UK, we ensure you have access to everything you could possibly need including a stock of C24 graded timber and the quality, caring service the Cavanagh Family are well known for.

Not sure what you need for the job? Contact us and we'll help you decide!
